

#### The Code of Music

#### 1. Elements

- 1. Rhythm
- 2. Melody
- 3. Timbre

MBINSERT:TOC

## Rhythm

More to come

# **Melody**

If rhythm is the element of music that makes us tap your foot and want to dance, melody is the element that we hum along to, or whistle for days on end. Here is one example of a melody:

### **Timbre**

More to come
